

CALLING ALL MENTORS!

Art technicians! Do you have at least five years' industry experience in the role?

Are you a Bectu member?

Would you like to give back and take part in our mentoring scheme?

Mentor an art technician who's either early on in their career or mid-level facing challenges.

This three-month programme will run from Feb 2025.

The union offers training and support to mentors. You will be paired with a mentee, who you'll guide, and you'll also have the chance to take part in workshops or networking events.
